

*The English word church means “a collective body of Christians who have made a public profession of the Christian religion and who are united under the same pastor.”*

*When churches do not become what God established churches to be, then world evangelism fails.*

*Throughout the Church Age, God has used churches to evangelize and send out workers to establish other churches around the world.*

*The 2009 Pastors Conference, held at Lee’s Summit Baptist Temple, Lee’s Summit MO, centers on building strong churches that are able to build strong workers to serve God at home and around the world.*

God established the institution of churches and gives clear instructions in His Word regarding all aspects of a healthy body of Christ. The purpose of this conference is to better equip pastors to do the ministry God has assigned to them, which is to edify and to multiply their local church.

The Great Commission has three distinctive parts: to present the gospel, to baptize, and to teach those who are saved to observe all things (disciple). Christian leaders must be prepared to do all three in obedience to the Lord.

**CLASS 1:** Teacher: Fred Allen, Senior Pastor of Lee's Summit Baptist Temple. This will be a continuation from the 2008 Conference class entitled "Building Christian Churches" and will cover fundamental issues regarding local churches.

- ♦ What is a church? What is it to accomplish?
- ♦ Why did God establish the institution of churches?
- ♦ How to stabilize a church.
- ♦ Why and how to make disciples in a church.
- ♦ Help disciples to mature to build their church.

**CLASS 2:** Teacher: Pastor Ken Kerr, Missions Pastor of Lee's Summit Baptist Temple. He will teach a class for first time attendees on "Starting Discipleship". This is to introduce and give an understanding of discipleship and how it works in a church.

**CLASS 3:** Teacher: Linda Allen, Pastor Fred's wife. She will teach from "Ladies Discipleship", which is uniquely designed for women to give an understanding of godly principles to teach the women in their home church.

During the classes, time will be given for questions and discussion.

The majority of the cost of the conference is paid by Lee's Summit Baptist Temple. The church will provide *limited transportation*, including a bus from Juarez and cost efficient transportation from Mexico City. To assure your seat, a deposit may be requested.

Due to the nature of the conference, *pastors are given first preference for seating, followed by their wives, next leaders in the church, and last are children*. LSBT will provide transportation for a pastor (*up to \$200*) and one-half of the wife's cost (*up to \$100*). Transportation costs for others will be their own responsibility.

Please make contact with the representative from your region to obtain all details and reserve space. If you make your own travel arrangements, contact Ken Kerr ([ken@lsbt.org](mailto:ken@lsbt.org)) with arrival and departure details to arrange transportation in Kansas City.

**Please confirm your attendance by e-mail or by notification through one of the contacts listed no later than the first of October.**

**Because of the nature of the conference, only limited childcare will be available. If you are bringing children, please provide their ages with your registration, and designate boy or girl.**

- I will attend: I will need sleeping room for 1.
- We will attend: We will need sleeping room for husband and wife.
- We will attend: We will need sleeping room for husband and wife, and \_\_\_\_ children.
- I will attend : No sleeping room needed.
